

The image shows a 9x9 Killer Sudoku grid. The grid is divided into 81 cells by a 3x3 grid of thick lines. Numbers are placed in the top-left corners of various cells, and symbols are placed in other cells. The numbers and symbols are as follows:

11		8		13		8		
5				19				
					9		<	
					14		>	
		9			10			
					12			
>	10			19		13	10	>
		3						
			12		11
